

1) *step:* Submitter Sign-In Page

After clicking on the link for abstract submission you will be forwarded to a sign-in page that will allow you to log-in (if you already have an account), or **sign up** (register).

The screenshot shows the Eurac Research Sign In page. At the top left is the Eurac Research logo. Below it is a white sign-in box with a grey border. The title "Sign In" is centered at the top of the box. Below the title is the text "I have previously registered and my password is:". There are two input fields: "Email" with the value "michael.steinwandter@eurac.edu" and "Password" with masked characters. Below the password field is a checkbox labeled "Remember me" and a red "Sign In" button. At the bottom of the box are two links: "Forgot your password?" and "I have never registered Sign Up".

2) *step:* Please fill in your personal information (* these fields are mandatory), accept the privacy statement and click **Save**.

The screenshot shows the Eurac Research Personal Information registration form. At the top left is the Eurac Research logo. Below it is a grey form box with a red header bar containing the text "Personal information" and "Enter your contact information.". The form contains several input fields: "First Name *", "Last Name *", "Email *", "Password *", "Confirm Password *", "Phone", "Academic title", "Birth Date" (with a calendar icon), "Birth Place", and "Fiscal Code (obligatory for Italian Citizens)".

5) step: Adding Contributors to your Proposal

Once you have entered all the information on the *Add Proposal* window, you have to proceed with the **Contributor window**. Here, you will need to add a Contributor Role to either the Submitter (i.e. click on the **+** on Your Account) or to another person (**+ Add New Contributor**). Each submission must have at least one assigned Contributor Role (i.e. *Author*, and *Co-Author* if more people are indicated) to successfully submit the proposal.

Please indicate the email address of further contributors. If they are already registered, you can select them from a list. If they are not registered yet, please fill in first and last name, as well as the affiliation(s) (*).

The screenshot shows a web interface for adding contributors. At the top, a progress bar has four steps: Dashboard, Add Proposal, Contributors (current), and Review & Finish. Below the progress bar, the heading 'Contributors' is followed by the instruction: 'Please enter the desired authors and co-authors for your submission.' A box labeled 'Submitter' shows 'Michael Steinwandter'. Below this, there are two columns: 'Select an Account' and 'Contributors for this Submission'. Under 'Select an Account', there is a button '+ Add New Contributor' and a card for 'YOUR ACCOUNT Michael Steinwandter Steinwandter, Michael' with a green plus sign. Under 'Contributors for this Submission', there is a message: 'No contributors have been added to this submission. Select an existing account or add a new one to continue.' At the bottom right, there are buttons for '< Back', 'Cancel', 'Save', and 'Save & Continue'.

The screenshot shows a form for adding a new contributor. It features a grey information box at the top with the text: 'Please enter the information below to get started. You will be able to enter the rest of the information before the person is added to the submission. All fields are required.' Below this, the label 'Email *' is followed by a text input field containing 'new.contributor@mail.com'. At the bottom right, there are two buttons: 'Cancel' and 'Next'.
